Stage II

#	DPA Stage 2 Post-Working Group Recommendations for DGO 5.18 Persons in Custody and Transportation	SEC or p. #	Date Submitted	SFPD response	SFPD explanation	Open/Closed
R1	DPA suggests clearly stating that "members shall transport persons with mental health disorders as described in DGO 6.14."	5.18.09.A.3 (p.6)	10/12/23	Recommendation has been included in draft DGO	SFPD agrees with the recommendation.	Closed
R2	"Custody" should have a lower case "c"	5.18.11.B.1 (p.8)	10/12/23	Recommendation has been included in draft DGO	SFPD agrees with the recommendation.	Closed
R3	Recommend deleting the word "deliberately" so the sentence reads, "Members shall not transport a person in custody in a manner (not "method") that could (not "would") cause positional asphyxia."	5.18.11.B.6.a (p.8)	10/12/23	Recommendation has been included in draft DGO	SFPD agrees with the recommendation.	Closed
R4	DPA suggests refraining from calling a person in custody "a custody" or "custodies" or "hospital custodies" since it is dehumanizing. This issue was corrected in the rest of the DGO except in a few sections. Suggest: "Person in custody at a hospital"	5.18.11.G and G1 (various references on p. 9.)	10/12/23	Recommendation has been included in draft DGO	SFPD agrees with the recommendation.	Closed
